

GREENVIEW®

Annual Lawn Plan

OVERVIEW

You have **THREE Spring/Fall plan options** to choose from, based on your lawn care needs.

Each option includes one application in spring and one application in fall. **Just TWO steps, just that easy.**

Signing up for the GreenView Annual Lawn Plan means you are leaving the application timing to us – **we'll ship you your product (FREE SHIPPING) at precisely the right time to apply**, based on our product performance expertise and the ship to address for your order.

PLAN A

Spring Fertilizer Weed & Feed and Crabgrass Preventer + Fall Fertilizer

- Unique formula controls weeds, including dandelions and crabgrass, and fertilizes in one easy application
- Fall Fertilizer promotes winter hardiness and early spring green up

PLAN B

Spring Fertilizer and Crabgrass Preventer + Fall Fertilizer

- Fertilize and prevent crabgrass in spring with one easy application
- Fall Fertilizer promotes winter hardiness and early spring green up

PLAN C

Lawn Fertilizer + Fall Fertilizer

- Extended, even feeding for a lush lawn
- Fall Fertilizer promotes winter hardiness and early spring green up
