5-10-5

MULTI-PURPOSE FERTILIZER

VEGETABLES

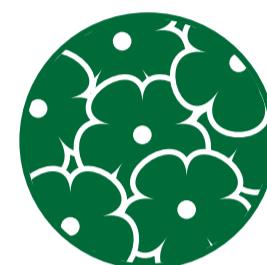

FLOWERS

TREES

SHRUBS

ORNAMENTAL GARDENS

QUALITY RESULTS

GreenView® 5-10-5 is specially formulated to produce vegetables of higher quality. It encourages fast growth and high yields, plus premium quality and flavor. It promotes denser foliage in trees and shrubs for better shade in summer and better color in ornamentals to add to the beauty of your home.

USE INSTRUCTIONS

FOR VEGETABLE GARDENS

Before seeding, use 2 lbs. (4 cups) GreenView® 5-10-5 per 100 sq. ft. and work into top soil. For row or trench, use 1 lb. (2 cups) per 25 running feet.

FOR ORNAMENTALS, SHRUBBERY & BULBS

Apply in early spring and again in June at a rate of 1 lb. (2 cups) per 25 running feet or 2 lbs (4 cups) per 100 sq. ft.

FOR TREES

Use about 1 lb. (2 cups) GreenView® 5-10-5 for each inch of trunk diameter before growth starts early in spring.

Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

DO NOT apply near water, storm drains or drainage ditches. **DO NOT** apply if heavy rain is expected. Apply this product only to your garden, and sweep any product that lands on the driveway, sidewalk, or street back on to your garden.

KEEP OUT OF REACH OF CHILDREN

WARNING: To avoid danger of suffocation, keep this bag away from babies and children. **DO NOT** use this bag in cribs, beds, carriages, or playpens. This bag is not a toy.

WARRANTY

NOTE: To the extent consistent with applicable law, Buyer assumes all responsibility for safety and performance if this product is not used according to the directions.
