READ THE ENTIRE LABEL BEFORE USING THIS PRODUCT. USE ONLY ACCORDING TO LABEL INSTRUCTIONS.
If terms are not acceptable, return the unopened container at once.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Causes eye irritation. Harmful if inhaled. Avoid contact with eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Prolonged or frequently repeated skin contact while handling this material may cause allergic reaction in some individuals.

FIRST AID

- IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

IF INHALED:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or go for treatment. In case of an emergency involving this product, call day or night (888) 208-1368.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and highly toxic to other aquatic organisms including oysters and shrimp. Use with care when applying to turf areas adjacent to any body of water. Drift and runoff from treated turf may adversely affect aquatic organisms in adjacent aquatic sites. DO NOT apply when weather conditions favor drift from treated areas. To protect the environment, DO NOT allow pesticide to enter or run off into storm drains, drainage tiles, gutters or surface waters. Applying this product to water bodies will ensure that it does not get blown by wind off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn will help to prevent run off to water bodies or drainage systems.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

PRODUCT INFORMATION FOR TURF USE

This product contains Dimension® herbicide that can be applied up to 4 weeks later than other crabgrass preventers and still provides season-long control. GreenView Premium Formula Spring Fertilizer With Crabgrass Preventer prevents crabgrass and other listed grass and broadleaf weeds up to 4 months when applied prior to their germination in lawns and ornamental turfgrasses. It also provides postemergence control of seedling crabgrass for up to 4 weeks after it germinates. GreenView Premium Formula Spring Fertilizer With Crabgrass Preventer should be applied to lawns and ornamental turfgrasses that are well established. (See Precautions and Restrictions section below for a list of the tolerant turfgrasses.) It will not harm nearby established ornamentals when used according to directions, given below.

PRECAUTIONS AND RESTRICTIONS
NOT FOR USE ON TURF BEING GROWN FOR SALE OR OTHER COMMERCIAL USE AS SOD, OR FOR COMMERCIAL SEED PRODUCTION, OR FOR RESEARCH PURPOSES.

Not for use on newly seeded lawns.

Use of GreenView Premium Formula Spring Fertilizer With Crabgrass Preventer on lawns and ornamental turfgrasses that are not well established, or have been weakened by stress due to mechanical operations, pests, excessive temperatures, or lack of moisture may increase the chances for turfgrass injury. DO NOT apply to lawns or turfgrasses that are under stress.

Reseeding, overseeding, or sprigging of turfgrasses into areas that have been previously treated with this product should be delayed until after 8 weeks from the time of application.

Reseeding, overseeding, or sprigging before 8 weeks or earlier after application may damage or weaken the establishment of the new seed, overseeded or sprigged turfgrasses.

DO NOT make an application of this product later than 4 weeks after crabgrass germination. DO NOT expect control with applications made later than 4 weeks after crabgrass germination.

DO NOT apply more than 8.8 lbs. of this product per 1,000 sq. ft. per application, and no more than 26.4 lbs. of this product per 1,000 sq. ft. per year.

In the State of New York, do not exceed 4.4 lbs. product per 1,000 sq. ft. (0.25 lb. active ingredient per acre) per year.

In the state of Maryland, Pennsylvania, New Hampshire and Florida, apply a maximum of 3.4 lbs. of product per 1,000 sq. ft. Make no more than 2 applications per year.

DO NOT use clippings from treated turf for mulching, vegetables, vines, or fruit trees from which feed or food products may be harvested.

Keep people and pets off treated areas until dust has settled.

POST EMERGENCE CRABGRASS CONTROL

For post emergent crabgrass control, apply GreenView Premium Formula Spring Fertilizer With Crabgrass Preventer when crabgrass is small (3-4 leaf). It will not control large tillered crabgrass.

LENGTH OF CONTROL

GreenView Premium Formula Spring Fertilizer With Crabgrass Preventer will provide up to 4 months of weed control if applied according to label directions. The actual length of control will vary depending on use, weather conditions, condition of the turfgrass, and intensity of weed pressure.

APPLICATION EQUIPMENT AND INSTRUCTIONS

GreenView Premium Formula Spring Fertilizer With Crabgrass Preventer can be applied with a drop or rotary type spreader designed to apply granular fertilizers. For best results, apply this product evenly and uniformly over the turfgrass area, avoiding streaking, skips or overlaps. Avoid the use of spreaders that would apply this product in narrow rows or concentrated bands. Before each application, calibrate the spreader according to the equipment manufacturer's directions. Adjust the spreader settings so the spreader delivers the appropriate application rate as specified below.

A more uniform application can be made by spreading one-half of the specified amount of this product over the turfgrass area and then applying the remaining one-half at a right angle to the previous direction. Check spreader frequently to ensure it is functioning properly and distributing the granules uniformly.

SPREADER SETTINGS

Broadcast Spreader Settings
Apply in a single pass at a rate of 3.4 lbs. per 1,000 sq. ft. Start on the outside border and apply in a circular path working toward the center. Overlap the coverage slightly, and shut off spreader before making hard turns.

Drop Spreader Settings
Apply in a single pass at a rate of 3.4 lbs. per 1,000 sq. ft. Start on the outside border and apply in a rectangular path working back and forth across the length of the lawn. Overlap the coverage slightly, and shut off spreader before making hard turns.

Broadcast Spreaders:
Scots Turf Builder EdgeGuard 5.5
Scots Whirl Hand-Powered 5
Scots Elite 5.75
Sta-Green 32lb Precision 5.75
Agri-Fab 45-0463 130 lb. Tow-Behind 4

DROP SPREADERS:
Scots Turf Builder Classic Drop 7
Yardworks 75lb 4.5
Agri-Fab 175 lb Tow Behind 45-2288 4

To calibrate your spreader: 1 lb. of material should cover approximately 294 sq. ft.

If your spreader model is not listed (or does not appear above), go to our website at www.greenviewfertilizer.com or call toll-free 800-233-1067, 8 A.M. - 5 P.M. EDT, Monday - Friday, for additional model settings.

NOTE: Supplemental applications of lawn fertilizer are needed to achieve a minimum 1 pound nitrogen per 1,000 sq. ft.

STORAGE AND DISPOSAL
DO NOT contaminate water, food, or feed by storage or disposal.
PESTICIDE STORAGE: Store product in its original container in a cool, dry, locked place out of the reach of children and animals.
PESTICIDE DISPOSAL AND CONTAINER HANDLING:
Nonrefillable container. DO NOT reuse or refill this container.
IF PARTLY FILLED: Place in trash or offer for recycling if available.
IF FULLY FILLED: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY
*NOTE: To the extent consistent with applicable law, Buyer assumes all responsibility for safety and performance if this product is not used according to the directions.

Lebanon Seaboard Corporation guarantees you will be satisfied with the performance of this product when used as directed, or your money back. If not satisfied, describe the nature of your problem, and send with proof of purchase to Lebanon Seaboard Corporation, 1600 East Cumberland Street, Lebanon, PA 17042.
